Template 750ml bowl / Print size 426mm x 59mm (including bleed)

Open this file in your design software and save it as a AI / PDF file

Do not forget to remove all information that does not need to be printed

Let the design continue to the blue line

Place text and important info inside the orange dotted line (this is your bleed)

Note: format your design rectangularly. We will provide a 3D proof with the correct distortions.
